## Web Page Advertisements

The Chamber website receives over 15,000 hits each month and attracts an impressive amount of unique visitors. Take advantage of this one-of-kind advertising opportunity to capture the attention of your target customers. Explore the possibilities with 480x60 pixel banner ad opportunities throughout the Chamber website.

For 12 months, your company's ad will be displayed on the page of your choice of the Lake Houston Area Chamber's website and will be hyper linked to your company's website. You may switch out the ad as many times as they would like throughout the year, but they are subject to approval by the Chamber. Camera ready JPEG files are due one week prior to run date.
