

With Hurricane Laura nudging westward from its projected path yesterday, we are reaching out again to provide information to help your business prepare. A tropical storm warning is in effect for our area. A tropical storm warning means tropical storm-force winds are expected within the next 36 hours.

This is a time for PREPARATION, not panic.

The Lake Houston Area Chamber is coordinating with local and state officials and will be reposting updates and alerts from all partners and entities on Facebook: [@LHACHamber](#) | Twitter: [@LHACHamber](#)

Below are some additional links for business preparedness along with the links sent on Friday afternoon.
